Comments: Greetings AHS Alumni: Antilles High School will celebrate its 52nd or 53rd commencement tonight June 6, 2003. This year's graduation class is composed of 112 students. As usual, about 85% of graduates have been accepted into colleges or universities. The AHS Alumni Association is presenting its second Maxie R. Williams, JR award in this commencement. For those pre-1969 graduates, the Maxie Williams field is the AHS football and baseball field in Ft. Buchanan, by the golf course, so named after Maxie Williams, a 1963 AHS graduate. An excellent student, Ray, as he was called by his classmates was an honor student, a student leader and outstanding athlete. He graduated from University of Tennessee in 1967, received a commission in the US Marine Corps in 1967, was killed in Vietnam in 1968, the field was memorialized in his honor in 1969 and the first Maxie Williams award was presented in AHS in 1970. The original award was given to the male senior that best exemplified the spirit of Maxie R. Williams. The revived award will be given to the graduating senior, female or male that best lives up to those standards. The original award was presented for about five years and then was no longer given. The Alumni Association under the leadership of Pamela Fay-Williams, resurrected the award last year. Tonight, the award will be presented for the second time on its second iteration. Congratulations to all graduates, special felicitations to the the next recipient of the Maxie R. Williams JR award and welcome to the new AHS alumni.

Comments: Hola!

Well, the AHS Class of 1978, Class of 1979 and Class of 1980 Las Vegas 2005 Reunion is less than a month away! Friday, June 24-Sunday, June 26th!

We will gather for drinks and appetizers on Friday night, dinner and dancing on Saturday night and breakfast (for those interested) on Sunday morning. Check out the Reunion website at ahsvegasreunion05.com for details on the activities to be held. The locations for the Friday, Saturday and Sunday gatherings were selected on the basis of how many people the space can accommodate and on the basis of recommendations given by the hotel. (For instance, Benihana was selected one of the best restaurants in the city, three years in a row, in "What's On" Magazine) All meals/drinks you consume are on each individual ("pay your own tab"). I have reserved a separate area for us at mentioned venues. It is of utmost importance that you RSVP if you are planning to attend . Once I receive your name, I will add you to the Attendees List. Keep in mind that only those on the Attendees List have a seat ensured! You can submit your RSVP by logging onto ahsvegasreunion05.com or by sending me an email at journey0402@aol.com

Finally, I encourage all those attending the event (and those interested in attending) to check out the hotel's website at <http://www.lvhilton.com/> You will find helpful information pertaining the amenities the hotel offers, including on the meeting places listed above. The hotel has a lot to offer! There's even a monorail available that connects you directly to the Vegas strip.

Please do not hesitate to contact me if you have any questions, comments or suggestions. See you in Las Vegas!

Comments: I haven't visited the AHSA message board for some time, and had some free time today to peruse it. It was with great sadness

that I read the message left by Ed Rehkopf concerning the passing of our classmate Tom McChesney. While I didn't know Tom well, like anyone else at Antilles while Tom was there, I knew who he was and always felt the joy of just being around such a wonderful, quiet, friendly person. Like another classmate said, I never thought of Tom without thinking of Ed! When I attended the All Class Reunion in 2005, I heard time and time again the question, "Has anyone heard from Tom or Ed?" They were the two truly "Big Men on Campus!" I also remembered what a great golfer he was. My brother, Alan Boyd, (Class of 1966), played golf with him many times. It was wonderful to read about his life after Antilles, and to know that even though his life was cut short, Tom lived a full, rich, and loving life. I agree with everyone else, Tom was truly a kind person, and was the epitome of what being a gentleman is. Tom will be greatly missed. My heartfelt sympathy goes out to his wife and sons. May the memories they have sustain them through the coming years, and may they be comforted by the knowledge that everyone who knew him, as a close friend, a classmate, or a passing acquaintance, was touched in such an everlasting way. May God be with you.

Comments: Hola! Well, GREAT time in Vegas!!!! In attendance: Mayra Lockhart, (Class of 1977), Dennis Markunas (Class of 1978), Ricky Negrón, (Class of 1979), Connie Dick, (Class of 1979), Lys Calderón, (Class of 1979), Patrick Orozco, (Class of 1979) and his wife, Joanne, Richard Arlook, (Class of 1980), David Martinez (Class of 1980), Stephen Calenzani (Class of 1980), Ed Arroyo (Class of 1980) and his wife, Debbie, Thomas Grajek (Class of 1980) and his wife, Shelia, Richard Sherman (Class of 1980) and his wife, Aida. A small group which certainly bonded and connected. We talked, laughed, reminisced. A close knit group enjoying that weekend in Vegas. On Friday night, we met at the Benihana Lounge for cocktails. (All gatherings were held at the Las Vegas Hilton). Early Saturday, I had the pleasure of enjoying Lys' and Mayra's company for a tour of the Las Vegas strip. That night, we came back together as a group and ate dinner at the Benihana Restaurant. Afterwards, we headed to the Shimmer Cabaret (we had a space reserved) and danced to the music of a live band. The musical group provided a lot of music of the 70's, so that added a very special touch to the evening. It was as if the repertoire was tailored, customized just for us! And finally, on Sunday morning approximately 10 of us who were still at the hotel met for breakfast. I want to thank each and everyone who attended for their support. THANK YOU FOR A WONDERFUL TIME!!!!!! And I'd also like to thank those who although were not able to attend, offered words of encouragement. I appreciate you! I have no doubt that the the vision of the Reunion implemented as far back as last year with the planning of the Reunion in Orlando which had to be postponed (which was reconnecting, renewing and establishing bonds was accomplished) not only within our Class of 1979, but within other classes. And that does my heart good!!!!!! I will be posting pics this week (most likely on the AHS Alumni website; will be letting classmates know where). And more on future plans later! Keep in touch! Love, Blessings, Abrazos, Lisa M. Rivera, Class of 1979 2005 Vegas Reunion

Comments: Wow! Mrs. Edminsten and Mrs. Woolis. Two huge losses for everyone who's been part of Antilles. Very sad to know. I have many memories of Mrs. Woolis, one being her walking around with her chains and padlocks so no one would loot her refrigerators. Wilo, I was in that Home Ec class with you and I clearly remember the havoc. Me and a fellow classmate were the only senior in that class. After every single recipe, we would dump the egg shells on top of the cabinets. We had a huuuuge egg shell collection up there. The other collection was cookie dough stuck on the ceiling. Also unforgettable were the bloated cookies the next period class got after someone in our class tampered the flour with baking powder. Mrs. Woolis found out about everything, and like Wilo says, she kept her cool. She was soooo nice, a saint, like Dean says. Of Mrs. Edminsten I have one very special memory. I had long hair and one day, my friends were teasing me about it in her class. On a quiet moment, she goes over to me and tells me that perhaps I should cut it. My hair was my pride, so I asker her why. And with a soft smile that came from her heart she answered: "Because you have beautiful eyes". People, I just melted. But no, I didn't cut my hair. Mrs. Woolis and Mrs. Edminsten, you will both be missed. To their respective families and relatives, you were all blessed for having them. Andy

Comments: I was saddened to read that Mrs. Woollis passed away. Like many classmates, I have fond memories of Home Economics class. One that comes to mind is an assignment she gave us in which we had to prepare a dish. Angie Catoni and I decided on an eggplant dish. Eggplant! As I look back, I can't figure out why we made such a choice. Just as other classmates have expressed, I also remember Mrs. Woollis as always being kind and very patient. My condolences to her relatives and friends. May she rest in Peace.

Comments: AHS Bembe update: Katrina messed up what would have been a great time (women, go figure :-O). Although Katrina did minimal damage to the Ft Lauderdale beach area, she did knock out electricity to 95% of the area for the entire weekend which left us without a headquarters to meet at. The few hotels with electricity were booked solid by Friday evening. Regardless, there were a few die-hards that were able to find each other and have a great time Friday night shooting the breeze at the Best Western bar (next to the Irlands Hotel), and a blast Saturday night at the Hard Rock Casino. Joe Arroyo (72) and Mabel Velez (72) had us over Saturday for feast'en and drink'en; Luis Rivera (74) had us over Saturday night for more food and drinks; and Janet Santiago (75) hauled us to the Hard Rock for dancing and yes more drinking. I want to thank the 10 or so die-hards that showed up regardless of the conditions and the hospitality given to those of us from out of town.

Pete, always good to read from you, email me and give a shout-out, let me know what's going on. Henry, you're right, I will have to wear a wig or something to do double duty on both bands...but watch out now, I've been playing the drums for years now, so...good competition is healthy. Here, everything is well as always. It's good to hear from all of you.

I am very happy to let all of you know that she was sent to San Antonio and is doing fine. The family is trying to get her to Little Rock where Chuck and his family live. Her home sustained damage but it is still there. Has anyone heard from Diane Woodbury '63? My best to all of you and God bless those of you in the Gulf states. Kip '64

Comments: I received an e-mail from Larry "Woody" Woodbury today and his sister Diane got out before the hurricane hit and is safe. Ed Gautier '68 and his wife Vangie Tanchez '67 of Metarie, LA are safe and staying with daughter in Woodbridge, VA. They do not yet know what they have left, if anything, and offer these words "Pray for my city...what you see on the news is NOT New Orleans...it is a city of prayer and people of love...what you see is such a small, miniscule part of that city. Somehow order will be restored in our city and we will rebuild what can...." Brian Lovett '93 of Slidell, LA is safe and has been evacuated to Little Rock, AR. We are still waiting to hear about other alums. I told them that their Antilles family is here to help and I will let you know if they need anything.

Comments: It has been quite a long time since I have actually used this message board (and almost as long since I've talked anyone from Antilles). My concern right now is with two of our 1969 classmates who lived in the New Orleans area: Idella Wilson and Donna Koike. Does anyone know how they are doing? My hopes and prayers are with all the people in New Orleans -- I also had several friends teaching in universities in the New Orleans area -- so I am praying for everyone. I know that New Orleans will be rebuilt -- I had too many good times down Canal Street, in the old French Quarter, and around Jackson Square. While I may never be able to get back to New Orleans because of my MS, I know that it will be rebuilt it is just too good a town. Anyway as a reminder to all AHS alumni, if you have not made some type of a contribution, please do. There are a million people who no longer have homes. If any of you have heard about Idella or Donna or

many others for that matter, please feel free to contact me directly. On another note, my condolences to the families of Mrs. Woollis and Mrs. Edminsten. They were both very very fine teachers and parents. Take care all, Bob Hess

I wish the same could be said for Marilyn Oaks '63. She and her family lived and worked in Metarie and are now without homes AND jobs. They are living temporarily in Shreveport, LA.

Comments: Hey, Ya'll. Pray to God that you and your families are all well around the world. I pray that all of my fellow alumni down South are doing okay. If there is anything I can do to help - Mi casa es Su casa!!! I'm 20 minutes from Philadelphia PA. We're family - Antilles Pirate Family to be exact. Okay - the reason why I have written today is to let the rest of my class know that a few of us have gotten together to form the Class of 86 Reunion Team. Our 20th reunion is creeping up as quickly as ever. Please do me a favor and contact either Jill Dent, Billy Barnes, Nellie Gonzalez, Heidi Casta or myself for more information. I encourage you to join the alumni association and keep the Pirate Spirit going. Kiko and Debi - I will be writing soon to let you know what our plans are for the reunion. We've all been so busy. I have mailed my alumni association fee in today in support of the AHS Alumni Assoc. efforts. I encourage the rest of my class to do the same. There are a few on the list and I am so proud of you!!! Just click on the membership portion of the Alumni Association link. I'd like to thank Gretchen Fajardo Cruz and Debi Sneider for all your help with my "reunion 101" course. It is a challenge, but one that I believe my class mates and I are willing to take with pride. Once again - if there is anyone who would like to know more - please contact me ASAP. We have a survey/profile to complete. My other email address is lmoraleschomicki@fsabc.org I'm also on Yahoo instant message - all the time so link me on cookiegem4u@yahoo.com. Comments: Onelio Torres is still teaching at AHS. He is the TV production teacher. The best way to contact him is calling AHS directly. Saw him last February and he showed me some video of the infamous 1992 Powderpuff in which a fight broke out between Osiris Soto and I believe Cassandra?Gonzalez? or maybe it was Marie....anyway I still can get a hold of him since my mother is a teacher there (Mrs. Sierra). On a side note, any class of 1992 students out there there has been some communication going on through e-mail started by our class president Jesus Suarez. It seems that a small reunion in Florida is on the horizon, so if you are on the outside looking in drop me an e-mail to see how everything is going. So far people in the loop are myself, Adolfo Morales, Jesus Suarez, Jorlie Cruz, Idalia Morales, Willie Montes, Alek Aponte, Henry Delgado, Diana Ifarraguerri, Francisco Pinol, Solymar Berrios. Let us know how your doing.

Comments: Hi, fellow classmates! I didn't actually graduate with you, unfortunately...I had to move back to the States right before 9th grade, but some of my fondest memories are from Fort Buchanan! I've already been in touch with some of you -- Boggie Perez (sigh, my first love!), the beautiful Gretchen Fajardo, the ever-so-classy Ruben Lopez, and sweet-n-sassy Charlotte Allen (who left AMS not long before I did). It's been wonderful catching up! I also located Chad and Tracey DeHaven and spoke to them briefly, if anyone remembers them! Reading these postings, it's so comforting to see that there are others who didn't graduate from AHS, but that still keep those memories so close to heart! It just shows what awesome people were there. If you remember me - and it was good :) - I'd love to hear from you! Freddie Neris, can you believe that I met someone at my church that knew you in PR??? I can't remember her name, though, and I haven't seen her since! Small world! John Bilecki -- I'm really sorry I hit you in the back of the head in Mr. Weiss's class (I've always wanted to apologize for that!). I would also love to know how some of the following people are doing, if anyone might know: Bonnie or Victor Torres, Brad Donovan, Vivian Britt, and Joyce Anne Holland...anyone....anyone? My sisters, Dara and Amy Commander, did attend AHS -- if you're interested in their whereabouts, e-mail me! God bless, and I'm looking forward to turning 40 with the class of '85 (well, kind of)... :)

Comments: **John Qualy, it's great to hear from you after 43 years! I have thought of you often and all the fun we had at Fort Buchanan. Our friend Doug Vosler lives in Minnesota also. I attended the reunion in San Juan in 2003 and spent time with Jimmy Rogers and Carl James and many others. We had a great time visiting Fort Buchanan and our old neighborhood. I had a great picture of you and Carl and me receiving a Boy Scout award at Fort Brooke (El Morro) in 1962. I sent it to Carl about 10 years ago but he never returned it, says he can't find it any more. My sister Pam (the horse lover) lives here in Birmingham, Alabama also. I'll send you more of an update on my life in a day or 2. Hope you are well, your buddy, Tom Sheehy.**

Comments: **Hello! To Nickie Ivanovsky and fellow AHS Alumni. Nickie this is Eddie Lopez and I responding to your request on the whereabouts of Bob Hurd. Bob is living in Fayetteville, North Carolina. Bob, Frank Laras,**

Miguel Nieves, Jose Lamboy, Irving Perez, myself and our gals had dinner at the Fort Bragg Officers Club back in January 2004. This was the last time I saw Bob or any of the other guys before moving to Wurzburg, Germany. Bob and I on occasion would go out to eat and go to the government auctions together. Bob had been ill but is doing better. Bob, Frank, Jose, Miguel, and Irving live in the Fort Bragg area. I met Irving at the Fort Bragg PX and during our conversation he told me that his cousin was Nydia Trinidad. Nydia was a cheerleader just as yourself (Nickie). I believe Nydia graduated the same year as Miguel. In 1986 I ran into Bob at JFK Special Warfare Center barbershop while he was getting a haircut, Jose in 1990 at the mall, Frank 2003 at Home Depot, and I looked up Miguel in 2003 after AHS reunion in San Juan. Freddie Velez and Sammy Vasquez told me he was living in the Fayetteville area and asked me to look him up. Nickie, I left the Fort Bragg area in March 2004 and as far as I know Bob is still there. I have to go now and I wish you and all the Antilles Alumni around the world a Merry Christmas and Happy New Year. May God Bless you and all your families. Eddie Lopez

Way to go. you'd be surprised, i'm still playing around. just at home, though, although every xmas I go play christmas songs on my soprano sax or on the piano at the acute care center I work at. I am also playing the drums, have been playing for several years. so i'm still the jack of all trades, master of nothing! LOL! If you are ever in Florida, email me or call me, I have a mini studio/music room upstairs in my house with amps, mikes, percussion laying around and of course a mini bar and corner tv. also included a cheesy lava lamp and neon martini glass lamp for cheeseballs like Pete Sanchez and Gustavo Mendez. So anybody who wants to come down to Florida (Wesley Chapel)to jam out, a la Bob Barker, come on down! shout out to David Parks, Emilio Bennet, Pete, Gus, Shaggy, Henry Wise and all the other old school band fellas. I live in Mobile, AL which is not that far from New Orleans. I am enlisted in the Coast Guard, stationed on one of the cutters here in Mobile, AL. Just wanted to let you all know that things are slowly improving throughout the Gulf Coast. I had a chance to see the devastation caused by these tremendous storms and it has been a very humbling experience. Though I was not directly involved with the rescue efforts, I stand proud of the men and women within my organization that conducted the rescue of the citizens of Louisiana, Mississippi and Alabama Gulf Coast areas. The Coast Guard not only conduct rescues of our fellow citizens but, helped re-open the waterways to commercial traffic that supplies our coal, fuel and other natural resources by rebuilding all Aids to Navigations to all the major ports in record time. My shipmates and I endured long work hours and many days underway in the hot sun and high humidity so prevalent here in the South. We were lucky that we in Mobile had minor damage but, those shipmates that lived in or near the area of devastation not only had to deal with the aforementioned work conditions but, the uncertainty of when they would be reunited with loved ones that had evacuated prior to Katrina's landfall. I hope that those who where affected by Katrina will be able to recover soon. Good luck to all. "Semper Paratus" Always Ready**

It so nice to see familiar names, Henry & Gabriell, Jorge, Gustavo, Aixa , I Think her and I laughed our butts off in the lunch room all the time.. if I recall the name and face correctly..I Mean it's been a while.. to say the least. I'm in Georgia, still. I would love to hear from anyone who remembers a shorty, (brunette with green eyes). UNfortunately, I Left before my class graduated, (we got transferred after the 1st semester of SENIOR year no less!) But, in my heart I'm a pirate. Anyone who can catch me up on what happened the last half of our senior year is welcome to drop me line or two. Many Blessings to all, arrrg!**
